I hereby declare that:

Each inventor's residence, mailing address, and citizenship are as stated below next to their name.

I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

Process of using hydraulic turbines attached to water mains, water towers, sewage lines, aqueducts, and pipelines to generate electricity by the pressurized flowing of water and sewage through said mains, towers, lines, aqueducts, and pipes impinging upon the turbine blades and changing the kinetic energy of the flowing fluid into useable electric energy by use of a nearby generator and conducting that energy from the generator to a power substation by means of a conduction pipe and selling consumers back this new electricity which they have created themselves by their demand for utilities like water and sewage.
